

GERMAN

Club

Time:

Every Friday from 12:30 to 1:30pm

Description:

This club run by Frau Hamon will be a fun way to learn and practise the German language based on games and activities in the pleasant environment of a small group – up to 12 students.

Our programme will revolve round a certain theme that will then guide various activities such as role plays based on traditional German tales, quizzes, board games, etc. The club will also enable the discovery of German history, current affairs, and culture, for example, German festivals and traditions.

The objective is to learn while having fun. During each weekly session students will improve their vocabulary, use a variety of linguistic competences and gain confidence in their speaking abilities.

Attendance at this club will not be mentioned in the school report, but a certificate of attendance will be given to each participant at the end of the school year.
